

OYENIKE SEYI VICTOR

Computer Science Graduate | Junior Web Developer | WordPress Developer | IT Support

Lagos, Nigeria | 08101800658 | Seyivictor024@gmail.com

PROFESSIONAL SUMMARY

Computer Science graduate with practical experience in WordPress development, frontend web development, ICT support, databases, and software development. Independently built and maintained websites for paying clients and completed practical software-development training and internship experience. Comfortable working with HTML, CSS, Bootstrap, JavaScript, PHP, MySQL, Python, Flask, Git/GitHub, and WordPress. Strong problem-solving and research skills, with an interest in cybersecurity testing and defensive techniques and remote technology roles.

TECHNICAL SKILLS

Web Development: HTML, CSS, JavaScript, Bootstrap, PHP

Backend & Database: Python, Flask, MySQL, SQL

CMS: WordPress

Development Tools: Git, GitHub, Docker, VMware

Design: Graphic Design

Cybersecurity: Security Testing & Defensive Techniques — Currently Learning

PROFESSIONAL EXPERIENCE

MANMADE — WordPress Developer

- Independently built and launched WordPress websites for 3+ paying clients.
- Customized website layouts, pages, content, and functionality according to client requirements.
- Provided ongoing website maintenance, updates, troubleshooting, and support for approximately one year.
- Communicated directly with clients to understand requirements and deliver completed websites.

LARRY COMPUTER ACADEMY — Software Development Intern | 6-Month SIWES Internship

- Gained practical experience in ICT support, software installation, web development, and computer laboratory operations.
- Applied HTML, CSS, PHP, and MySQL to practical web-development tasks.
- Developed practical skills in database management, technical documentation, teamwork, and problem-solving.
- Independently developed a Blog Content Management System as a software project.
- Applied classroom concepts to real-world ICT operations.
- Developed awareness of professional ethics and Nigeria Data Protection Regulation (NDPR).
- Successfully completed the six-month internship and received a certificate of completion.

GREEN MOUSE TECHNOLOGY — Web Development Trainee

- Completed practical training in WordPress and Front-End Development.
- Gained hands-on experience creating and customizing websites.
- Successfully completed the training and received certificates in Front-End Development and WordPress.

PROJECTS

BLOG CONTENT MANAGEMENT SYSTEM (CMS) | PHP, MySQL, HTML, CSS, Bootstrap, PDO

- Independently designed and developed a content management system allowing authenticated authors to publish and manage articles while enabling public users to view posts.
- Developed the frontend using HTML, CSS, Bootstrap, and server-rendered PHP templates.
- Built backend functionality using procedural PHP and PDO for database interaction.
- Implemented authentication and an administrative dashboard.
- Developed CRUD functionality for creating, editing, and deleting blog posts.
- Structured database connectivity through a dedicated configuration file.

EDUCATION

LAGOS STATE UNIVERSITY (LASU)

B.Sc. Computer Science — 2026

CERTIFICATIONS & TRAINING

- Front-End Development — Certificate of Completion
- WordPress Development — Certificate of Completion
- Software Development / SIWES — Certificate of Completion

ADDITIONAL DEVELOPMENT

Currently developing practical knowledge in cybersecurity testing and defensive techniques, with an interest in cybersecurity, IT support, software quality, and technology operations.
